

# Orchard Surgery News

## Issue One - May 2011

Welcome to the first issue of Orchard Surgery News. We intend to issue newsletters on a regular basis to provide you with topical information, which we hope you will find interesting.

If there are any articles you wish to see in forthcoming newsletters, or any feedback in general, please contact our Practice Manager, Richard Hall.

### FAREWELL TO OUR SENIOR PARTNER

On 31st May we bid farewell to Dr. Andrew Marczewski, who will be retiring after thirty years at Orchard Surgery. We wish him a healthy and happy retirement. If any of our patients wish to sign his "Book of Thanks", please speak to one of our receptionists.

### WELCOME TO OUR NEW GP

On 1st June, we are joined by Dr Peter Read. Dr. Read will be dealing with patients previously registered with Dr Marczewski. This will happen automatically - patients do not need to take any action.

### Did you know.....?

You are now able to order your repeat prescriptions online and also make and cancel appointments via our website. Please request your log in details from our reception desk.

### **Planning an exotic holiday?**

If so, make sure your vaccinations are up to date. You will need to speak with one of our Nurses to make sure you are fully protected, and have the latest malaria advice. Please give us at least six weeks notice of your travel plans.

### **STAFF CHANGES**

**We welcome Ruth Lawrence and Janine Francomb to our Nursing team.**

**We wish Sue Johnstone a healthy and happy retirement.**

**We say goodbye to Hazel Fisher and Jo Saunders and wish them well for the future.**

### **Orchard Surgery Patient Group**

**We are looking for volunteers to join our Patient Group. If you would like to have a say in any new services offered by Orchard Surgery, please contact our Practice Manager, Richard Hall.**
